Re: Letter of Recommendation

Mr. Dougherty:

I am pleased to take this opportunity to thank you for your outstanding work on the Valencia Community College West Campus Central Energy Plant improvements project. Under your leadership PCD Building Corp. was a valuable member of our team and fulfilled a vital role. The forethought, planning and attention to detail that you and your crew contributed to the execution of this project illustrated that your organization is truly a well oiled machine.

This was a highly technical and challenging project and your company met and exceeded the clients demanding expectations. I look forward to working with you on future projects and would recommend PCD Building Corp. to anyone.

Sincerely,

Wesley R. Kihlmire
